

S A G E
Behavior Services

Child Behavior Interventionist

Position Type: Part-Time

Schedule: 6-15 hours per week

Afternoon availability required (2:30-7:00pm) at least 3 weekdays

Location: Training at Fullerton office, at client homes throughout Orange/ LA County

Sage Behavior Services provides individualized behavior services to children with developmental disabilities in their home, school, our clinic and community settings.

Job Description

A child behavior interventionist will work 1:1 with children with developmental disabilities, primarily autism, intellectual disability and down syndrome. Staff will implement research-based strategies to manage problem behaviors and build skills. Staff must be willing to drive to multiple client sites.

Qualifications

No ABA experience required, training provided. Experience working with children preferred, patience, willingness to work as part of a team, strong desire to learn, high degree of professionalism.

This is a great opportunity for a current student looking for experience in the field of Psychology.
