Creative Behavior Interventions, Inc. (CBI) is seeking independent, reliable, creative, energetic, and motivated Behavior Therapists to join our team!

Job Description

As a Behavior Therapist, you will work directly with children and their families to implement individualized programs in the home, school and community based settings. Our behavior and educational programs are designed by the experienced Supervisors at CBI. Applied Behavior Analysis (ABA) Programs are created to maximize opportunities for learning and growth across multiple settings. This is a part-time position. It is a field based job and requires punctuality and reliable transportation.

We Provide:

- Intensive initial training and ongoing learning opportunities.
- Supervision from Master's level, Board Certified Behavior Analysts (BCBA), BCaBA and Ph.D. level Clinical Supervisors.
- Benefits available for qualifying employees: Medical, Dental, Vision, and 401(k).
- Competitive hourly rates.
- Paid drive time plus mileage.
- CPR and First Aid Training.
- Opportunity for career advancement and professional growth.

Skills and Experience:

- Desire to learn, creativity, playfulness, and multi-tasking abilities are critical.
- A degree in or working towards an undergraduate program in psychology, education, social services, or other related fields.
- Must have availability to work from 3:00 PM – 8:00 PM at least 3 days each week. Availability on weekend is a plus.
- Previous experience in ABA, Verbal Behavior, DTT, PRT, or PECS preferred. However, we are willing to train the right people with the right attitude.
- Reliable transportation; a valid driver's license and car registration, proof of auto insurance, and a good driving record.
- Previous work or volunteer experience working with children is preferred.

Company Description

Led by Clinical Director Dr. Denise Eckman, Psy.D., BCBA-D, the experienced and friendly Supervisors and Therapists of CBI offer many services to children and young adults with Autism and other Developmental Disabilities. Creative Behavior Interventions, Inc. knows that for a child to become all they can be, they have to be surrounded by those that believe whole-heartedly in them. To begin a season of new success for a child takes knowledgeable people with hope in their hearts.
